## Discoveries by Designers

### Drum Role

Originally designed circa 1952 for the Malibu, California, residence of Blanche Hill, a drum dining chair, \$7,100, is the latest design of William Haines's to be manufactured by Lindley Associates (310-289-0280; [www.williamhaines.com](http://www.williamhaines.com)).

*"I would rather have  
taste than either love or money."  
—William Haines*
